“A new simpler form allows all family members to be entered on one page. High quality ATV/BC decals and membership cards are issued and mailed from the office”

New Family Membership, Affordable Insurance

This spring ATV/BC created a new “family” membership type which applies to spouses and children living in the same household.

A new simpler form allows all family members to be entered on one page, high quality ATV/BC decals and membership cards are issued and mailed from the office independently of the membership forms. This also allows us to obtain less expensive forms as well as give a confirmation to new members from the provincial association.

Because of the reduced dues associated with this new membership our club is able to maintain the

lowest dues in the province:

Primary: \$50
Secondary: \$30
Family: \$90

Reduced Insurance for 2009

In 2009 Oasis Insurance announced the following rate changes for ATV/BC members:

- new option of a third party liability limit of \$ 200,000, the minimum requirement to legally ride on a FSR at an annual premium of \$ 75 for members

- Reduced the premium for a \$ 1,000,000 limit from \$ 125 to \$ 100 for members. Elkford residents who ride from home need at least \$1M liability
- Introducing a \$ 2,000,000 limit now available at a premium of \$ 125 for members
- Launch of website www.openskiesins.ca where members can purchase memberships and liability insurance all in 1 location. Payment must be made by credit card when purchasing insurance online.
